Today's Date

1. Name, present status (i.e., BA 3, ART 4); expected date of graduation.
2. Current Madison address; home address (city, state zip).
3. E-mail address.
4. Previous college or university attended; dates of attendance.
5. Previous art history courses taken here and elsewhere. Give dates, names of instructors and grades.
6. Program for current semester. List all courses in which you are enrolled by course title and number, department and instructor.
7. Language background. Which languages have you studied and for how long? List both high school and college courses, grades and instructors. (If you are intending to enter graduate studies in art history, you should acquire a reading knowledge of German or French, preferably both.)
8. History courses taken here and elsewhere. List course titles, numbers and instructors.
9. Other courses related to art history (e.g., anthropology, classical mythology).
10. Background in art not covered by the above questions (gallery or museum work; studio experience; travel; visits to public or private collections). How did you get into art history? Why did you become a major? What are your expectations?
11. Intentions for future study or employment? You should consult with an advisor in L&S/School of Human Ecology Career Services Office (905 University Ave., Suite 160) early in your academic career to get some ideas of what you might consider and to learn how to prepare a resume. After graduation be sure to let us know what you are doing so that we might better advise other students.
12. Include a current What-If Art History DARS report.
